PROSPECTUS

OUR PATRON

Therese Martin Carmelite of Lisieux is one of the Church's most beloved saints. This French nun's short life was one of the great faith and insight therefore she was named patroness of France in 1947. Generations of Catholics have admired this young saint and called her 'The Little Flower' and found her short life more inspirational to live their daily lives than in volumes written by scholars. Therese died when she was just 24 years old. She was nun for less than ten years. She didn't do any great thing in her life but did small things in a different way and made her life a beautiful little flower. So we always insist all the Teresians to do little things in a different way, ordinary things in an extraordinary way. May St. Teresa, the Patron of our school bless all the Teresians by showering the petals of roses from heaven as she had promised to do after leaving the earthly abode.

GENERAL INFORMATION

St. Teresa's School Mansarovar Jaipur is run by Prabhudasi Sisters Education Society, Ajmer which is a registered body authorized to run schools, hospitals, dispensaries, old age homes, creche etc in different parts of the country. St. Teresa's School is an institution under the management of Prabhudasi Sisters Education Society Ajmer, which is a registered Society under Rajasthan Society Registration Act 1958. The school is co – educational and imparts education in English Medium (CBSE), Admissions are given to children of all communities treating their religious faith with due respect. The Academic year begins in April and ends in March.

EDUCATIONAL OBJECTIVES

Teresa's have always been imparting education with a child centric approach with an aim of providing a dynamic learning environment in school that is committed in achieving excellence in academics as well as overall development. St. Teresa's School aims at nurturing all round development of the child essentially means intellectual, physical, moral, sensible and social spheres. Hence the students are encouraged and motivated in every sphere of their growth.

CO-CURRICULAR ACTIVITIES
